Term 4 - Week 5 9th November 2016

Dear Parents

Kindergarten Enrolments

Once again our 3 new Kindergarten students, Grace, Gretel and Ellie, attended our school on Monday and had a wonderful time in the K-2 classroom. Next Monday the children will attend school from 9am – 11.30am for their final Orientation session.

Intensive Swimming Program

Information regarding our annual swimming program is included with this newsletter. The program will begin on Monday 28th November and run for two weeks. All levels of swimming ability are catered for, as we would like all students to be involved. As you all can appreciate this is a very important program that enables the students to develop their swimming skills, which will last a life time. Please return all notes and money as soon as possible and if there are any difficulties with payment or any questions about the program please don't hesitate to contact the school.

With thanks to the Sporting Schools program and the Schools Sports Unit the school has been able to access some additional funding **for just this year only**, which will allow us to reduce the cost to from \$50 per student.

SRC Milkshake and Muffin Deal

Please find attached a note for the SRC's meal deal – on Wednesday 16th November - \$3 for a delicious milkshake and muffin.

Remembrance Day

Friday 11th November is Remembrance Day. All students will assemble around the flagpole at 11am to talk about how blessed we are to be Australians and live in a country of freedom. We will commemorate Remembrance Day and pay our respects to those who have come before us and paid the supreme sacrifice, so that we may enjoy the freedom we do today. The flag will be lowered to half-mast and a minute's silence will be observed to reflect upon the significance of the day.

Wongarbon / Dubbo Excursion – Federation and Beyond

On Tuesday 8th November the students watched an engaging combination of music, participation and stories

detailing life in early Australia. After the show we travelled by bus to Dubbo to attend another session at the Dubbo Library and 'Crossfit'.

Cricket Pitch Improvements

A big thank you to Jeff Costello and his gang for the great job that was done on our new improved cricket pitch, ready for the season! The children were so excited to use this newly refurbished area when all work was completed.

Please note our next assembly is Friday the 25th November which is our final assembly for 2016.

STUDENT OF THE WEEK

Congratulations to Kealeigh Bryon who is our Student of the Week. Kealeigh is a happy friendly student. She always tries her best and is working really well in reading. Her sentence writing is improving and she happily gets along with her peers. Well done Kealeigh!
