Term 4 - Week 8

30th November 2016

Dear Parents

Final Assembly

Last Friday saw a fantastic attendance at our final assembly for 2016. The students certainly enjoy performing at these events, so it was wonderful to see so many parents and grandparents sharing with us our achievements for the semester.

Intensive Swimming Program

Our annual swimming program began on Monday and all students are progressing nicely, benefitting greatly from the much smaller groups this year and the warmer weather.

P and C Christmas Raffle

The P and C are once again organising a Christmas raffle which will be drawn on Presentation Night. They are requesting donated Christmas non-perishable food and treat items for a hamper. Prizes will include – 1st Prize – Hamper; 2nd Prize – Decorated Christmas Cake (kindly made and donated by Cody and Jamie's Grandparents) and 3rd Prize – Family Movie Pass.

Carols in the Park

Once again, the Geurie students have been invited to perform at the Geurie Carols in the Park. This event will be held on Friday 9th December beginning at 7.30pm. The students will be learning three carols to perform on the night. If you normally attend this event then we would like your child/ren to join in the school choir, however, if you are unable to attend then please let the school know.

Silent Night, Holy Night

Year 6 Farewell and end of year Celebration Day

This year the Year 6 Farewell and our end of Year Celebration Day will be held together, on Monday 12th December. A day full of fun activities has been planned, with our Year 6 students choosing the activities. Attached to this newsletter is the permission note in an envelope. I would like to keep the day a surprise – so please help out by keeping the secret. The children will leave by bus at 9am and return by 3pm. They will need to wear their sports uniform and then change into board shorts and t-shirt that they will be allowed to get wet. There is no cost associated with this day as the P&C are providing some drinks and treats for the day and the SRC have raised the additional funds from the sales of iceblocks. A fun day for all, with the students being reminded about our behaviour expectations, to ensure safety and enjoyment for us all. Please return the note in the sealed envelope by Monday 5th December.

Thank you

As we approach the end of the school year there are a number of people I would like to say thank you to. Without the support of these people our school would certainly not run as efficiently and effectively as it does.

- Firstly, to Karen and Cherea who have worked with a number of students this year, giving them extra one on one time and assistance to allow them to reach their full potential;
- To our dedicated P and C body who tirelessly fundraise so that all children have the opportunity to participate in extra activities while at school;
- To Jeanee Broomfield for collecting our Crunch and Sip each week and of course, Wellington Woolworths for providing us with the fruit;
- To the parents who come in and assist in the classroom, listening to reading and helping some children with individual activities; and
- To those parents who are always on hand to assist with transport, preparations for special events, gardening, painting or to help out in any way they can.

On behalf of all the students at Geurie Public School – thank you – you all help make our small school the great school that it is – with the students' needs always our priority.

Trish Farley - Principal
