SCHOOL INFORMATION

PRESENTATION DAY

Presentation Day

What exciting news that we will be holding our Presentation Day event this Friday. The Department of Education guidelines on COVID-19 allows us to welcome either two parents or carers from each family into our school. Please bring a hat, sunglasses and a water bottle with you, as the ceremony will be held outside. This is a little different, but it is what we need to do. Remember to arrive at 9am so you can sign in either by QR code or paper. This must be completed prior to the ceremony.

School Swimming and Water Safety Program

Lessons will begin on Monday 30 November. Students will need to bring their swimmers to school, have a towel, a rash vest and a pair of thongs to wear around the pool area. Students will be changing at school and walking down to the pool, so pack an extra casual t-shirt and some shorts to wear back to school over their swimmers. Their school clothes will stay at school where they will change again after their lessons.
