## SWIMMING LESSONS

### Swimming Lessons

What a great swimming program we had this year, and the weather was so good. Thank you to Mariah for her swimming instructions and productive lessons, allowing all students to achieve and better their knowledge and improve their skills around water in time for the summer season. Such an important skill for life!

### Save Lives

**And:** It is time to say goodbye to the 2020 school year; what a year it has been. To all our families thank you for your ongoing support throughout the year. Enjoy the Christmas holidays and enjoy being back with the people you may not have been able to see for awhile. Remember it is all about the people and the time we get to spend together, and being grateful for the small things in life. Finally, to our Year 6 students, enjoy every aspect of your high school experience and remember all the wonderful things you have achieved. On behalf of all the staff I would like to wish you all a Merry Christmas and we are looking forward to working with you again in 2021.

**First Day of 2021 for students  
Friday 29 January**

## YEAR 6 FAREWELL

What a great time the whole school had on Monday, different this year compared to others, but still the same amount of laughter, smiles and memories made. We wish Jasmine, Mackenzie, Bradley, Levi and Sahannah all the best as they begin their high school education next year. They should be extremely proud of all they achieved in their time at Geurie Public School.
