Presentation Day

What a wonderful day we had on Friday, we were able to acknowledge the achievements of our students and welcome our parents into the school. This week included in your weekly email is a link to the YouTube clip of the ceremony to share with your family and friends. Also if you would like an individual photo of your child/children, please email the school and we will forward one on for you.

Swimming Program

Our annual swimming program began on Monday and all students are benefitting greatly from the small groups we are able to run this year.

*In this hot weather please ensure
your child has a hat and a water
bottle with them each day.*
