

Newsletter Term: 4 | Week 2 | Date: Wednesday 19 October 2022

SCHOOL INFORMATION

School Swimming and Water Safety Program

Today we have sent home a permission note for our Intense 5 day Swimming Lessons Program. This year will see each student participating in 2 lessons each day for 5 days. This will mean that most of the school day will be at the Geurie Pool for this week. Could parents/carers please collect your child/children at the end of each day from the pool. Lessons start in Week 7 with no cost to parents this year. Thank you to the NSW Department of Education Sports Unit for their funding support towards this vital program. Please complete and return the permission note that has been sent home today.

Kindergarten 2023

Kindergarten Orientation continues each Friday from 9:00am to 11:30am. This Term the children will stay for Recess, so, remember to pack some food, a hat and a water bottle. This is a fantastic way for your little people to get used to the routine at "Big School" ready to go for 2023.

PCYC Gymnastics

This Term the students from Kindy, Year 1 & 2 will be participating in a gymnastics program for sport. It will be delivered at school by PCYC Dubbo. This will be held each Tuesday from 12pm to 1pm for 8 weeks. Thank you to the Sporting Schools Program funding which enables the school to offer this to our students.

PSSA Sport

The students in Years 3 - 6 will be participating in PSSA sport in Dubbo again this Term. They will travel to Dubbo and back, via bus each Friday starting Week 2. The bus will leave school at 9am sharp. There may be some change to this routine depending on the condition of the oval due to rain.

Volunteers - Read, Read, Read

Our Read, Read, Read program will run Monday to Thursday mornings between 9am - 11am. You can read to us, read with us, or sit back relax and let us read to you. We would love to see you at school!

SRC Meeting - No School Hat - No Play

At our SRC meeting this week we talked about the importance of sun safety and school policies that are very important for protecting our skin from the sun. We discussed how students must wear school hats when outside or they will not be allowed to play during Recess & Lunch - they will have to sit in the shade. We decided to try something different this Term - we are all going to leave our hats at school, so they are ready to go each day!
