WELCOME BACK...

Congratulations Mrs Darcy

Following a rigorous recruitment process, I am pleased to announce the appointment of Mrs Shelley Darcy as the substantive principal of Geurie Public School.

Mrs Shelley Darcy will take up the role commencing 9th of October at the start of Term 4. Shelley may be known to many of you through educational or community activities in and around Dubbo. Most recently, Shelley is currently a well-respected previous principal at Eumungerie Public School and has completed a comprehensive relieving principal role at Geurie Public School.

Shelley starts officially in the role upon the departure of Tricia Farley who has given so much to community through many years of excellent public service, compassion and dedication to the students of New South Wales, especially at Geurie and leaves with our gratitude and thanks for her leadership over the many years in this community.

Welcome to Geurie Public School, Shelley!

Shelley is looking forward to continuing to lead the incredible teaching and learning that is occurring at Geurie Public School.

A BIG THANKS to Joe Urquhart (Buster's Dad)! Joe went all the way to West Wyalong to collect our bus. We are so excited to be able to get ourselves out in the community on our little 25 seater.

Canteen Trial

Our Primary students were working on persuasive text during Term 3. One of the arguments was that GPS should have a school Canteen. Buster and Mason were successful in this persuasion. WATCH THIS SPACE!

HPGE (High Potential and Gifted Education)

We are reaching out to parents and the broader community— Do you have skills to share or time to spare? Come and help us bring our ideas to life. The possible projects include but are not limited to a mosaic, mindfulness area, bike track, murals and book exchange box. Here at the school on FRIDAYS from 2pm.
